State Representative Adam Holmes
97th House District of Ohio

June 18th, 2024

Chairman Wilkin, Vice Chair Hillyer and members of The Sunset Review Committee,

Our office respectfully requests that the Ohio Aerospace and Aviation Technology (OAATC) be designated for sunset. In Jan 2023, the Ohio House created the standing Aviation and Aerospace Committee (AAC). This committee fills the same roles and responsibilities as the OAATC, but with the added legislative authorities that reside in standing committees. The Ohio House Aviation and Aerospace Committee is much more effective at achieving the OAATC mission, and continuing both committees would be redundant.

Sincerely,

A handwritten signature in blue ink, appearing to read "A. P. Holmes".

Col Adam Holmes USMC (Ret)
