

OHIO AUTOMOBILE DEALERS ASSOCIATION

May 20, 2024

The Honorable Shane Wilkin, Chair
Ohio Joint Sunset Review Committee
Ohio Senate
Statehouse
Columbus, OH 43215

Dear Chair Wilkin:

On behalf of our over 800 franchised motor vehicle dealer members, we are writing to urge the Joint Sunset Review Committee to reauthorize the Automated Title Processing System (ATPS) Board.

The ATPS, which is overseen by the BMV in conjunction with the Ohio Clerks of Court, is the system that tracks the issuance and e-storage of motor vehicle titles in the state. Dealers rely heavily on the system to conduct commerce and obtain titles on behalf of customers. The ATPS Board, which includes the Registrar of Motor Vehicles and other key stakeholders, advises on system needs, upgrades, and expenditures. This Board is helpful to providing accountability on the contributions that dealers and consumers pay to support Ohio's titling system.

Thanks for your consideration and support. Please contact us with any questions.

Sincerely,
