~~committee the director shall be ex officio a member, and~~ 600
~~chairperson, said director, and the other six members to be~~ 601
~~chosen from the faculty of the college of engineering. The term~~ 602
~~of these members shall be for three years. The director and~~ 603
~~advisory committee~~ shall select suitable subjects for 604
investigation, apportion the available funds, and with the 605
consent of the board may provide for the dissemination of the 606

Sec. 3506.04. (A) If it is impracticable to supply each 630
election precinct with voting machines or marking devices for 631
use at the next election following the adoption of such 632
equipment, as many shall be supplied for that election and the 633
succeeding elections as it is practicable to procure either by 634
purchase or lease, or by a combination of both, and such 635
equipment may be used in election precincts within the county as 636
the board of elections directs until such time as it is 637
practicable to provide the total number of voting machines or 638
marking devices necessary to supply all precincts within the 639
county, provided that the total number of voting machines or 640
marking devices necessary to supply all precincts shall be 641
procured by purchase or lease, or by a combination of both as 642
soon as practicable after their adoption. 643

(B) The board of elections shall be charged with the 644
custody of all equipment acquired by the county, and shall see 645
that all such equipment is kept in proper working order and in 646
good repair. The board of county commissioners of any county or 647
the board of elections, upon recommendation of the board of 648
elections, may, prior to the adoption of such equipment, acquire 649
by purchase or lease or by loan, for the experimental use in a 650
limited number of precincts, such equipment, and such 651
experimental use shall be valid for all purposes as if such 652

equipment had been formally adopted, provided that such 653
equipment has been approved by the board of voting ~~machine~~ 654
systems examiners for experimental use. 655

(C) All equipment acquired by any county by any of the 656
methods provided for in this section shall be exempt from levy 657
and taxation. 658

Sec. 3506.05. (A) As used in this section: 659

(1) "Electronic pollbook" means an electronic list of 660
registered voters for a particular precinct or polling location 661
that may be transported to a polling location. 662

(2) Except when used as part of the phrase "tabulating 663
equipment" or "automatic tabulating equipment," "equipment" 664
means a voting machine, marking device, automatic tabulating 665
equipment, software, or an electronic pollbook. 666

(3) "Vendor" means the person that owns, manufactures, 667
distributes, or has the legal right to control the use of 668
equipment, or the person's agent. 669

(B) No voting machine, marking device, automatic 670
tabulating equipment, or software for the purpose of casting or 671
tabulating votes or for communications among systems involved in 672
the tabulation, storage, or casting of votes, and no electronic 673
pollbook, shall be purchased, leased, put in use, or continued 674
to be used, except for experimental use as provided in division 675
(B) of section 3506.04 of the Revised Code, unless it, a manual 676
of procedures governing its use, and training materials, 677
service, and other support arrangements have been certified by 678
the secretary of state and unless the board of elections of each 679
county where the equipment will be used has assured that a 680
demonstration of the use of the equipment has been made 681

available to all interested electors. The secretary of state 682
shall appoint a board of voting ~~machine~~-systems examiners to 683
examine and approve equipment and its related manuals and 684
support arrangements. The board shall consist of four voting 685
members and one nonvoting member, who shall be appointed as 686
follows: 687

(1) Two members appointed by the secretary of state-; 688

(2) One member appointed by either the speaker of the 689
house of representatives or the minority leader of the house of 690
representatives, whichever is a member of the opposite political 691
party from the one to which the secretary of state belongs-; 692

(3) One member appointed by either the president of the 693
senate or the minority leader of the senate, whichever is a 694
member of the opposite political party from the one to which the 695
secretary of state belongs; 696

(4) The secretary of state also shall appoint a 697
cybersecurity expert, who shall serve as a nonvoting member of 698
the board. 699

In all cases of a tie vote or a disagreement in the board, 700
if no decision can be arrived at, the board shall submit the 701
matter in controversy to the secretary of state, who shall 702
summarily decide the question, and the secretary of state's 703
decision shall be final. Each member of the board shall be a 704
competent and experienced election officer or a person who is 705
knowledgeable about the operation of voting equipment and shall 706
serve during the secretary of state's term. Any vacancy on the 707
board shall be filled in the same manner as the original 708
appointment. The secretary of state shall provide staffing 709
assistance to the board, at the board's request. 710

For the member's service, each member of the board shall 711
receive three hundred dollars per day for each combination of 712
marking device, tabulating equipment, voting machine, or 713
electronic pollbook examined and reported, but in no event shall 714
a member receive more than six hundred dollars to examine and 715
report on any one marking device, item of tabulating equipment, 716
voting machine, or electronic pollbook. Each member of the board 717
shall be reimbursed for expenses the member incurs during an 718
examination or during the performance of any related duties that 719
may be required by the secretary of state. Reimbursement of 720
these expenses shall be made in accordance with, and shall not 721
exceed, the rates provided for under section 126.31 of the 722
Revised Code. 723

Neither the secretary of state nor the board, nor any 724
public officer who participates in the authorization, 725
examination, testing, or purchase of equipment, shall have any 726
pecuniary interest in the equipment or any affiliation with the 727
vendor. 728

(C) (1) A vendor who desires to have the secretary of state 729
certify equipment shall first submit the equipment, all current 730
related procedural manuals, and a current description of all 731
related support arrangements to the board of voting machine 732
examiners for examination, testing, and approval. The submission 733
shall be accompanied by a fee of two thousand four hundred 734
dollars and a detailed explanation of the construction and 735
method of operation of the equipment, a full statement of its 736
advantages, and a list of the patents and copyrights used in 737
operations essential to the processes of vote recording and 738
tabulating, vote storage, system security, pollbook storage and 739
security, and other crucial operations of the equipment as may 740
be determined by the board. An additional fee, in an amount to 741

be set by rules promulgated by the board, may be imposed to pay 742
for the costs of alternative testing or testing by persons other 743
than board members, record-keeping, and other extraordinary 744
costs incurred in the examination process. Moneys not used shall 745
be returned to the person or entity submitting the equipment for 746
examination. 747

(2) Fees collected by the secretary of state under this 748
section shall be deposited into the state treasury to the credit 749
of the board of voting machine examiners fund, which is hereby 750
created. All moneys credited to this fund shall be used solely 751
for the purpose of paying for the services and expenses of each 752
member of the board or for other expenses incurred relating to 753
the examination, testing, reporting, or certification of 754
equipment, the performance of any related duties as required by 755
the secretary of state, or the reimbursement of any person 756
submitting an examination fee as provided in this chapter. 757

(D) Within sixty days after the submission of the 758
equipment and payment of the fee, or as soon thereafter as is 759
reasonably practicable, but in any event within not more than 760
ninety days after the submission and payment, the board of 761
voting ~~machine~~-systems examiners shall examine the equipment and 762
file with the secretary of state a written report on the 763
equipment with its recommendations and, if applicable, its 764
determination or condition of approval regarding whether the 765
equipment, manual, and other related materials or arrangements 766
meet the criteria set forth in sections 3506.07 and 3506.10 of 767
the Revised Code and can be safely used by the voters at 768
elections under the conditions prescribed in Title XXXV of the 769
Revised Code, or a written statement of reasons for which 770
testing requires a longer period. The board may grant temporary 771
approval for the purpose of allowing experimental use of 772

equipment. If the board finds that the equipment meets any 773
applicable criteria set forth in sections 3506.06, 3506.07, and 774
3506.10 of the Revised Code, can be used safely and, if 775
applicable, can be depended upon to record and count accurately 776
and continuously the votes of electors, and has the capacity to 777
be warranted, maintained, and serviced, it shall approve the 778
equipment and recommend that the secretary of state certify the 779
equipment. The secretary of state shall notify all boards of 780
elections of any such certification. Equipment of the same model 781
and make, if it operates in an identical manner, may then be 782
adopted for use at elections. 783

(E) The vendor shall notify the secretary of state, who 784
shall then notify the board of voting ~~machine systems~~ examiners, 785
of any enhancement and any significant adjustment to the 786
hardware or software that could result in a patent or copyright 787
change or that significantly alters the methods of recording 788
voter intent, system security, voter privacy, retention of the 789
vote, communication of records, and connections between the 790
system and other systems. The vendor shall provide the secretary 791
of state with an updated operations manual for the equipment, 792
and the secretary of state shall forward the manual to the 793
board. Upon receiving such a notification and manual, the board 794
may require the vendor to submit the equipment to an examination 795
and test in order for the equipment to remain certified. The 796
board or the secretary of state shall periodically examine, 797
test, and inspect certified equipment to determine continued 798
compliance with the requirements of this chapter and the initial 799
certification. Any examination, test, or inspection conducted 800
for the purpose of continuing certification of any equipment in 801
which a significant problem has been uncovered or in which a 802
record of continuing problems exists shall be performed pursuant 803

to divisions (C) and (D) of this section, in the same manner as 804
the examination, test, or inspection is performed for initial 805
approval and certification. 806

(F) If, at any time after the certification of equipment, 807
the board of voting ~~machine~~-systems examiners or the secretary 808
of state is notified by a board of elections of any significant 809
problem with the equipment or determines that the equipment 810
fails to meet the requirements necessary for approval or 811
continued compliance with the requirements of this chapter, or 812
if the board of voting ~~machine~~-systems examiners determines that 813
there are significant enhancements or adjustments to the 814
hardware or software, or if notice of such enhancements or 815
adjustments has not been given as required by division (E) of 816
this section, the secretary of state shall notify the users and 817
vendors of that equipment that certification of the equipment 818
may be withdrawn. 819

(G) (1) The notice given by the secretary of state under 820
division (F) of this section shall be in writing and shall 821
specify both of the following: 822

(a) The reasons why the certification may be withdrawn; 823

(b) The date on which certification will be withdrawn 824
unless the vendor takes satisfactory corrective measures or 825
explains why there are no problems with the equipment or why the 826
enhancements or adjustments to the equipment are not 827
significant. 828

(2) A vendor who receives a notice under division (F) of 829
this section shall, within thirty days after receiving it, 830
submit to the board of voting ~~machine~~-systems examiners in 831
writing a description of the corrective measures taken and the 832

date on which they were taken, or the explanation required under 833
division (G) (1) (b) of this section. 834

(3) Not later than fifteen days after receiving a written 835
description or explanation under division (G) (2) of this section 836
from a vendor, the board shall determine whether the corrective 837
measures taken or the explanation is satisfactory to allow 838
continued certification of the equipment, and the secretary of 839
state shall send the vendor a written notice of the board's 840
determination, specifying the reasons for it. If the board has 841
determined that the measures taken or the explanation given is 842
unsatisfactory, the notice shall include the effective date of 843
withdrawal of the certification. This date may be different from 844
the date originally specified in division (G) (1) (b) of this 845
section. 846

(4) A vendor who receives a notice under division (G) (3) 847
of this section indicating a decision to withdraw certification 848
may, within thirty days after receiving it, request in writing 849
that the board hold a hearing to reconsider its decision. Any 850
interested party shall be given the opportunity to submit 851
testimony or documentation in support of or in opposition to the 852
board's recommendation to withdraw certification. Failure of the 853
vendor to take appropriate steps as described in division (G) (1) 854
(b) or to comply with division (G) (2) of this section results in 855
a waiver of the vendor's rights under division (G) (4) of this 856
section. 857

(H) (1) The secretary of state, in consultation with the 858
board of voting ~~machine~~-systems examiners, shall establish, by 859
rule, guidelines for the approval, certification, and continued 860
certification of the voting machines, marking devices, 861
tabulating equipment, and electronic pollbooks to be used under 862

Title XXXV of the Revised Code. The guidelines shall establish 863
procedures requiring vendors or computer software developers to 864
place in escrow with an independent escrow agent approved by the 865
secretary of state a copy of all source code and related 866
documentation, together with periodic updates as they become 867
known or available. The secretary of state shall require that 868
the documentation include a system configuration and that the 869
source code include all relevant program statements in low- or 870
high-level languages. As used in this division, "source code" 871
does not include variable codes created for specific elections. 872

(2) Nothing in any rule adopted under division (H) of this 873
section shall be construed to limit the ability of the secretary 874
of state to follow or adopt, or to preclude the secretary of 875
state from following or adopting, any guidelines proposed by the 876

Such an insurer shall not be required to accept applicants for 1506
coverage in the individual market pursuant to sections 3923.58 1507
and 3923.581 of the Revised Code unless the insurer also offers 1508
coverage to individuals other than through bona fide 1509
associations. 1510~~

(3) An insurer may cancel or decide not to renew the coverage of a dependent of an individual if the dependent has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage and if the cancellation or nonrenewal is not based, either directly or indirectly, on any health status-related factor in relation to the dependent.

(D) (1) If an insurer decides to discontinue offering a particular type of health insurance coverage offered in the individual market, coverage of such type may be discontinued by the insurer if the insurer does all of the following:

(a) Provides notice to each individual provided coverage of this type in such market of the discontinuation at least ninety days prior to the date of the discontinuation of the coverage;

(2) of this section in the individual market, the insurer shall 1547
not provide for the issuance of any health insurance coverage in 1548
the market and this state during the five-year period beginning 1549
on the date of the discontinuation of the last health insurance 1550
coverage not so renewed. 1551

(E) Notwithstanding divisions (C) and (D) of this section, 1552
an insurer may, at the time of coverage renewal, modify the 1553
health insurance coverage for a policy form offered to 1554
individuals in the individual market if the modification is 1555
consistent with the law of this state and effective on a uniform 1556
basis among all individuals with that policy form. 1557

(F) Such policies are subject to sections 2743 and 2747 of 1558

bona fide association. 1580

As used in this section, "bona fide association" has the 1581
same meaning as in section 3924.03 of the Revised Code, and 1582
"health status-related factor" and "network plan" have the same 1583
meanings as in section 3924.031 of the Revised Code. 1584

coverage for specific diseases or accidents only, or to any 1586
hospital indemnity, medicare supplement, long-term care, 1587

(3) Any law that would require any carrier to either 1760
include a specific provider or class of provider when 1761
contracting for health care services or benefits, or to exclude 1762
any class of provider that is generally authorized by statute to 1763
provide such care. 1764

Sec. 3924.06. (A) Compliance with the underwriting and 1765
rating requirements contained in sections 3924.01 to ~~3924.14~~ 1766
3924.06 of the Revised Code shall be demonstrated through 1767
actuarial certification. Carriers offering health benefit plans 1768
to small employers shall file annually with the superintendent 1769
of insurance an actuarial certification stating that the 1770
underwriting and rating methods of the carrier do all of the 1771
following: 1772

(1) Comply with accepted actuarial practices; 1773

(2) Are uniformly applied to health benefit plans covering 1774
small employers; 1775

(3) Comply with the applicable provisions of sections 1776
3924.01 to ~~3924.14~~3924.06 of the Revised Code. 1777

(B) If a carrier has established a separate class of 1778
business for one or more small employer health care alliances in 1779
accordance with section 1731.09 of the Revised Code, this 1780
section shall apply in accordance with section 1731.09 of the 1781
Revised Code. 1782

(C) Carriers offering health benefit plans to small 1783
employers shall file premium rates with the superintendent in 1784
accordance with section 3923.02 of the Revised Code with respect 1785
to the carrier's sickness and accident insurance policies sold 1786
to small employers and in accordance with section 1751.12 of the 1787
Revised Code with respect to the carrier's health insuring 1788
corporation policies sold to small employers. 1789

Sec. 3924.73. (A) As used in this section: 1790

(1) "Health care insurer" means any person legally engaged 1791
in the business of providing sickness and accident insurance 1792
contracts in this state, a health insuring corporation organized 1793
under Chapter 1751. of the Revised Code, or any legal entity 1794
that is self-insured and provides health care benefits to its 1795
employees or members. 1796

(2) "Small employer" has the same meaning as in section 1797
3924.01 of the Revised Code. 1798

(B) (1) Subject to division (B) (2) of this section, nothing 1799
in sections 3924.61 to 3924.74 of the Revised Code shall be 1800
construed to limit the rights, privileges, or protections of 1801
employees or small employers under sections 3924.01 to ~~3924.14~~ 1802
3924.06 of the Revised Code. 1803

(2) If any account holder enrolls or applies to enroll in 1804

a policy or contract offered by a health care insurer providing 1805
sickness and accident coverage that is more comprehensive than, 1806
and has a deductible amount that is less than, the coverage and 1807
deductible amount of the policy under which the account holder 1808
currently is enrolled, the health care insurer to which the 1809
account holder applies may subject the account holder to the 1810
same medical review, waiting periods, and underwriting 1811
requirements to which the health care insurer generally subjects 1812
other enrollees or applicants, unless the account holder enrolls 1813
or applies to enroll during a designated period of open 1814
enrollment. 1815

Sec. 4125.041. A shared employee under a professional 1816
employer organization agreement shall not, solely as a result of 1817
being a shared employee, be considered an employee of the 1818
professional employer organization for purposes of general 1819
liability insurance, fidelity bonds, surety bonds, employer 1820
liability not otherwise covered by Chapters 4121. and 4123. of 1821
the Revised Code, or liquor liability insurance carried by the 1822
professional employer organization, unless the professional 1823
employer organization agreement and applicable prearranged 1824
employment contract, insurance contract, or bond specifically 1825
states otherwise. 1826

A shared employee shall be considered an employee of the 1827
professional employer organization for purposes of determining 1828
whether a professional employer organization who sponsors a 1829
group health benefit plan is a small employer under division ~~(N)~~ 1830
~~(1)~~ (M) (1) of section 3924.01 of the Revised Code. A fully 1831
insured health benefit plan sponsored by a professional employer 1832
organization is not subject to sections 3924.01 to ~~3924.14~~ 1833
3924.06 of the Revised Code if the professional employer 1834
organization is not a small employer for purposes of those 1835

sections. 1836

Sec. 4141.131. The director of job and family services may 1837
enter into contracts for the sale of real property no longer 1838
needed by the director of job and family services for the 1839
operations of the director of job and family services under this 1840
title. Any costs attributable to the director of job and family 1841
services that are associated with the sale of real property 1842
under this section shall be paid out of the unemployment 1843
compensation special administrative fund established pursuant to 1844
section 4141.11 of the Revised Code. ~~The director of job and~~ 1845
~~family services shall submit a report summarizing the use of~~ 1846
~~that fund for the purpose of this section at least annually to~~ 1847
~~the unemployment compensation advisory council as prescribed by~~ 1848
~~the council.~~ 1849

The director of administrative services, with the 1850
assistance of the attorney general, shall prepare a deed to the 1851
real property being sold upon notice from the director of job 1852
and family services that a contract for the sale of that 1853
property has been executed in accordance with this section. The 1854
deed shall state the consideration and any conditions placed 1855
upon the sale. The deed shall be executed by the governor in the 1856
name of the state, countersigned by the secretary of state, 1857
sealed with the great seal of the state, presented in the office 1858
of the director of administrative services for recording, and 1859
delivered to the buyer upon payment of the balance of the 1860
purchase price. 1861

The buyer shall present the deed for recording in the 1862
county recorder's office of the county in which the real 1863
property is located. 1864

Sec. 4141.25. (A) The director of job and family services 1865

shall determine as of each computation date the contribution 1866
rate of each contributing employer subject to this chapter for 1867
the next succeeding contribution period. The director shall 1868
determine a standard rate of contribution or an experience rate 1869
for each contributing employer. Once a rate of contribution has 1870
been established under this section for a contribution period, 1871
except as provided in division (D) of section 4141.26 of the 1872
Revised Code, that rate shall remain effective throughout such 1873
contribution period. The rate of contribution shall be 1874
determined in accordance with the following requirements: 1875

(1) An employer whose experience does not meet the terms 1876
of division (A) (2) of this section shall be assigned a standard 1877
rate of contribution. Effective for contribution periods 1878
beginning on and after January 1, 1998, an employer's standard 1879
rate of contribution shall be a rate of two and seven-tenths per 1880
cent, except that the rate for employers engaged in the 1881
construction industry shall be the average contribution rate 1882
computed for the construction industry or a rate of two and 1883
seven-tenths per cent, whichever is greater. The standard rate 1884
set forth in this division shall be applicable to a nonprofit 1885
organization whose election to make payments in lieu of 1886
contributions is voluntarily terminated or canceled by the 1887
director under section 4141.241 of the Revised Code, and 1888
thereafter pays contributions as required by this section. If 1889
such nonprofit organization had been a contributory employer 1890
prior to its election to make payments in lieu of contributions, 1891
then any prior balance in the contributory account shall become 1892
part of the reactivated account. 1893

As used in division (A) of this section, "the average 1894
contribution rate computed for the construction industry" means 1895
the most recent annual average rate attributable to the 1896

construction industry as prescribed by the director. 1897

(2) A contributing employer subject to this chapter shall 1898
qualify for an experience rate only if there have been four 1899
consecutive quarters, ending on the thirtieth day of June 1900
immediately prior to the computation date, throughout which the 1901
employer's account was chargeable with benefits. Upon meeting 1902
the qualifying requirements provided in division (A) (2) of this 1903
section, the director shall calculate the total credits to each 1904
employer's account consisting of the contributions other than 1905
mutualized contributions including all contributions paid prior 1906
to the computation date for all past periods plus: 1907

(a) The contributions owing on the computation date that 1908
are paid within thirty days after the computation date, and 1909
credited to the employer's account; 1910

(b) All voluntary contributions paid by an employer 1911
pursuant to division (B) of section 4141.24 of the Revised Code. 1912

(3) The director also shall determine the benefits which 1913
are chargeable to each employer's account and which were paid 1914
prior to the computation date with respect to weeks of 1915
unemployment ending prior to the computation date. The director 1916
then shall determine the positive or negative balance of each 1917
employer's account by calculating the excess of such 1918
contributions and interest over the benefits chargeable, or the 1919
excess of such benefits over such contributions and interest. 1920
Any resulting negative balance then shall be subject to 1921
adjustment as provided in division (A) (2) of section 4141.24 of 1922
the Revised Code after which the positive or negative balance 1923
shall be expressed in terms of a percentage of the employer's 1924
average annual payroll. If the total standing to the credit of 1925
an employer's account exceeds the total charges, as provided in 1926

this division, the employer has a positive balance and if such 1927
charges exceed such credits the employer has a negative balance. 1928
Each employer's contribution rate shall then be determined in 1929
accordance with the following schedule: 1930

Contribution Rate Schedule 1931

except that notwithstanding the amendments made to division (a) 1935
of the contribution rate schedule in this section, if, as of the 1936
computation date: for 1991, the negative balance is 5.0% or 1937

more, the contribution rate shall be 5.7%; for 1992, if the
negative balance is 11.0% or more, the contribution rate shall
be 6.0%; and for 1993, if the negative balance is 17.0% or more,
the contribution rate shall be 6.3%. Thereafter, the
contribution rates shall be as specified in the contribution
rate schedule.

(B) (1) The director shall establish and maintain a
separate account to be known as the "mutualized account." As of
each computation date there shall be charged to this account:

(a) As provided in division (A) (2) of section 4141.24 of
the Revised Code, an amount equal to the sum of that portion of
the negative balances of employer accounts which exceeds the
applicable limitations as such balances are computed under
division (A) of this section as of such date;

(b) An amount equal to the sum of the negative balances
remaining in employer accounts which have been closed during the
year immediately preceding such computation date pursuant to
division (E) of section 4141.24 of the Revised Code;

(c) An amount equal to the sum of all benefits improperly
paid preceding such computation date which are not recovered but
which are not charged to an employer's account, or which after
being charged, are credited back to an employer's account;

(d) An amount equal to the sum of any other benefits paid
preceding such computation date which, under this chapter, are
not chargeable to an employer's account;

(e) An amount equal to the sum of any refunds made during
the year immediately preceding such computation date of
erroneously collected mutualized contributions required by this
division which were previously credited to this account;

(f) An amount equal to the sum of any repayments made to the federal government during the year immediately preceding such computation date of amounts which may have been advanced by it to the unemployment compensation fund under section 1201 of the "Social Security Act," 49 Stat. 648 (1935), 42 U.S.C. 301;	1967 1968 1969 1970 1971

(2) As of every computation date there shall be credited to the mutualized account provided for in this division:	1976 1977
(a) The proceeds of the mutualized contributions as provided in this division;	1978 1979
(b) Any positive balances remaining in employer accounts which are closed as provided in division (E) of section 4141.24 of the Revised Code;	1980 1981 1982

(3) Annually, as of the computation date, the director shall determine the total credits and charges made to the mutualized account during the preceding twelve months and the overall condition of the account. The director shall issue an annual statement containing this information and such other information as the director deems pertinent, including a report that the sum of the balances in the mutualized account, employers' accounts, and any subsidiary accounts equal the balance in the state's unemployment trust fund maintained under section 904 of the "Social Security Act."	1999 2000 2001 2002 2003 2004 2005 2006 2007 2008
(4) As used in this division:	2009
(a) "Fund as of the computation date" means as of any computation date, the aggregate amount of the unemployment compensation fund, including all contributions owing on the computation date that are paid within thirty days thereafter, all payments in lieu of contributions that are paid within sixty days after the computation date, all reimbursements of the federal share of extended benefits described in section 4141.301 of the Revised Code that are owing on the computation date, and all interest earned by the fund and received on or before the computation date from the federal government.	2010 2011 2012 2013 2014 2015 2016 2017 2018 2019
(b) "Minimum safe level" means an amount equal to two standard deviations above the average of the adjusted annual average unemployment compensation benefit payment from 1970 to the most recent calendar year prior to the computation date, as	2020 2021 2022 2023

determined by the director pursuant to division (B) (4) (b) of 2024
this section. To determine the adjusted annual payment of 2025
unemployment compensation benefits, the director first shall 2026
multiply the number of weeks compensated during each calendar 2027
year beginning with 1970 by the most recent annual average 2028
weekly unemployment compensation benefit payment and then 2029
compute the average and standard deviation of the resultant 2030
products. 2031

(c) "Annual average weekly unemployment compensation 2032
benefit payment" means the amount resulting from dividing the 2033
unemployment compensation benefits paid from the benefit account 2034
maintained within the unemployment compensation fund pursuant to 2035
section 4141.09 of the Revised Code, by the number of weeks 2036
compensated during the same time period. 2037

(5) If, as of any computation date, the charges to the 2038
mutualized account during the entire period subsequent to the 2039
computation date, July 1, 1966, made in accordance with division 2040
(B) (1) of this section, exceed the credits to such account 2041
including mutualized contributions during such period, made in 2042
accordance with division (B) (2) of this section, the amount of 2043
such excess charges shall be recovered during the next 2044
contribution period. To recover such amount, the director shall 2045
compute the percentage ratio of such excess charges to the 2046
average annual payroll of all employers eligible for an 2047
experience rate under division (A) of this section. The 2048
percentage so determined shall be computed to the nearest tenth 2049
of one per cent and shall be an additional contribution rate to 2050
be applied to the wages paid by each employer whose rate is 2051
computed under the provisions of division (A) of this section in 2052
the contribution period next following such computation date, 2053
but such percentage shall not exceed five-tenths of one per 2054

cent; however, when there are any excess charges in the 2055
mutualized account, as computed in this division, then the 2056
mutualized contribution rate shall not be less than one-tenth of 2057
one per cent. 2058

(6) If the fund as of the computation date is above or 2059
below minimum safe level, the contribution rates provided for in 2060
each classification in division (A) (3) of this section for the 2061
next contribution period shall be adjusted as follows: 2062

(a) If the fund is thirty per cent or more above minimum 2063
safe level, the contribution rates provided in division (A) (3) 2064
of this section shall be decreased two-tenths of one per cent. 2065

(b) If the fund is more than fifteen per cent but less 2066
than thirty per cent above minimum safe level, the contribution 2067
rates provided in division (A) (3) of this section shall be 2068
decreased one-tenth of one per cent. 2069

(c) If the fund is more than fifteen per cent but less 2070
than thirty per cent below minimum safe level, the contribution 2071
rates of all employers shall be increased twenty-five one- 2072
thousandths of one per cent plus a per cent increase calculated 2073
and rounded pursuant to division (B) (6) (g) of this section. 2074

(d) If the fund is more than thirty per cent but less than 2075
forty-five per cent below minimum safe level, the contribution 2076
rates of all employers shall be increased seventy-five one- 2077
thousandths of one per cent plus a per cent increase calculated 2078
and rounded pursuant to division (B) (6) (g) of this section. 2079

(e) If the fund is more than forty-five per cent but less 2080
than sixty per cent below minimum safe level, the contribution 2081
rates of all employers shall be increased one-eighth of one per 2082
cent plus a per cent increase calculated and rounded pursuant to 2083

division (B) (6) (g) of this section. 2084

(f) If the fund is sixty per cent or more below minimum 2085
safe level, the contribution rates of all employers shall be 2086
increased two-tenths of one per cent plus a per cent increase 2087
calculated and rounded pursuant to division (B) (6) (g) of this 2088
section. 2089

(g) The additional per cent increase in contribution rates 2090
required by divisions (B) (6) (c), (d), (e), and (f) of this 2091
section that is payable by each individual employer shall be 2092
calculated in the following manner. The flat rate increase 2093
required by a particular division shall be multiplied by three 2094
and the product divided by the average experienced-rated 2095
contribution rate for all employers as determined by the 2096
director for the most recent calendar year. The resulting 2097
quotient shall be multiplied by an individual employer's 2098
contribution rate determined pursuant to division (A) (3) of this 2099
section. The resulting product shall be rounded to the nearest 2100
tenth of one per cent, added to the flat rate increase required 2101
by division (B) (6) (c), (d), (e), or (f) of this section, as 2102
appropriate, and the total shall be rounded to the nearest tenth 2103
of one per cent. As used in division (B) (6) (g) of this section, 2104
the "average experienced-rated contribution rate" means the most 2105
recent annual average contribution rate reported by the director 2106
contained in report RS 203.2 less the mutualized and minimum 2107
safe level contribution rates included in such rate. 2108

(h) If any of the increased contribution rates of division 2109
(B) (6) (c), (d), (e), or (f) of this section are imposed, the 2110
rate shall remain in effect for the calendar year in which it is 2111
imposed and for each calendar year thereafter until the director 2112
determines as of the computation date for calendar year 1991 and 2113

as of the computation date for any calendar year thereafter 2114
pursuant to this section, that the level of the unemployment 2115
compensation fund equals or exceeds the minimum safe level as 2116
defined in division (B) (4) (b) of this section. Nothing in 2117
division (B) (6) (h) of this section shall be construed as 2118
restricting the imposition of the increased contribution rates 2119
provided in divisions (B) (6) (c), (d), (e), and (f) of this 2120
section if the fund falls below the percentage of the minimum 2121
safe level as specified in those divisions. 2122

(7) The additional contributions required by division (B) 2123
(5) of this section shall be credited to the mutualized account. 2124
The additional contributions required by division (B) (6) of this 2125
section shall be credited fifty per cent to individual employer 2126
accounts and fifty per cent to the mutualized account. 2127

(C) If an employer makes a payment of contributions which 2128
is less than the full amount required by this section and 2129
sections 4141.23, 4141.24, 4141.241, 4141.242, 4141.25, 4141.26, 2130
and 4141.27 of the Revised Code, such partial payment shall be 2131
applied first against the mutualized contributions required 2132
under this chapter. Any remaining partial payment shall be 2133
credited to the employer's individual account. 2134

(D) Whenever there are any increases in contributions 2135
resulting from an increase in wages subject to contributions as 2136
defined in division (G) of section 4141.01 of the Revised Code, 2137
or from an increase in the mutualized rate of contributions 2138
provided in division (B) of this section, or from a revision of 2139
the contribution rate schedule provided in division (A) of this 2140
section, except for that portion of the increase attributable to 2141
a change in the positive or negative balance in an employer's 2142
account, which increases become effective after a contract for 2143

the construction of real property, as defined in section 5701.02 2144
of the Revised Code, has been entered into, the contractee upon 2145
written notice by a prime contractor shall reimburse the 2146
contractor for all increased contributions paid by the prime 2147
contractor or by subcontractors upon wages for services 2148
performed under the contract. Upon reimbursement by the 2149

authorized by the Revised Code to do so, including a physician	2606
assistant, a clinical nurse specialist, a certified nurse	2607
practitioner, or a certified nurse-midwife. Any written	2608
documentation of the physical examination shall be completed by	2609
the individual who conducted the examination.	2610
Failure to comply with an order for an examination shall	2611
be grounds for refusal of a license or certificate or summary	2612

suspension of a license or certificate under division (E) of 2613
this section. 2614

(E) If a license or certificate holder has failed to 2615
comply with an order under division (D) of this section, the 2616
board may apply to the court of common pleas of the county in 2617
which the holder resides for an order temporarily suspending the 2618
holder's license or certificate, without a prior hearing being 2619
afforded by the board, until the board conducts an adjudication 2620
hearing pursuant to Chapter 119. of the Revised Code. If the 2621
court temporarily suspends a holder's license or certificate, 2622
the board shall give written notice of the suspension personally 2623
or by certified mail to the license or certificate holder. Such 2624
notice shall inform the license or certificate holder of the 2625
right to a hearing pursuant to Chapter 119. of the Revised Code. 2626

(F) Any holder of a certificate or license issued under 2627
this chapter who has pleaded guilty to, has been convicted of, 2628
or has had a judicial finding of eligibility for intervention in 2629
lieu of conviction entered against the holder in this state for 2630
aggravated murder, murder, voluntary manslaughter, felonious 2631
assault, kidnapping, rape, sexual battery, gross sexual 2632
imposition, aggravated arson, aggravated robbery, or aggravated 2633
burglary, or who has pleaded guilty to, has been convicted of, 2634

another jurisdiction for any substantially equivalent criminal 2637
offense, is automatically suspended from practice under this 2638
chapter in this state and any certificate or license issued to 2639
the holder under this chapter is automatically suspended, as of 2640
the date of the guilty plea, conviction, or judicial finding, 2641
whether the proceedings are brought in this state or another 2642
jurisdiction. Continued practice by an individual after the 2643

suspension of the individual's certificate or license under this 2644
division shall be considered practicing without a certificate or 2645
license. The board shall notify the suspended individual of the 2646
suspension of the individual's certificate or license under this 2647
division in accordance with sections 119.05 and 119.07 of the 2648
Revised Code. If an individual whose certificate or license is 2649
suspended under this division fails to make a timely request for 2650
an adjudicatory hearing, the board shall enter a final order 2651
revoking the individual's certificate or license. 2652

(G) If the ~~supervisory investigative panel determines~~ 2653
secretary and vice-secretary of the state dental board determine 2654
both of the following, ~~the panel~~ they may recommend that the 2655
board suspend an individual's certificate or license without a 2656
prior hearing: 2657

(1) That there is clear and convincing evidence that an 2658
individual has violated division (A) of this section; 2659

(2) That the individual's continued practice presents a 2660
danger of immediate and serious harm to the public. 2661

Written allegations shall be prepared for consideration by 2662
the board. The board, upon review of those allegations and by an 2663
affirmative vote of not fewer than four dentist members of the 2664
board and seven of its members in total, excluding ~~any member on~~ 2665
~~the supervisory investigative panel~~ the secretary and vice- 2666
secretary, may suspend a certificate or license without a prior 2667
hearing. A telephone conference call may be utilized for 2668
reviewing the allegations and taking the vote on the summary 2669
suspension. 2670

The board shall serve a written order of suspension in 2671
accordance with sections 119.05 and 119.07 of the Revised Code. 2672

The order shall not be subject to suspension by the court during pendency or any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(H) Sanctions shall not be imposed under division (A) (13) of this section against any certificate or license holder who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person who holds a certificate or license issued pursuant to this chapter to the extent allowed by this chapter and the rules of the board.

(I) In no event shall the board consider or raise during a hearing required by Chapter 119. of the Revised Code the circumstances of, or the fact that the board has received, one or more complaints about a person unless the one or more complaints are the subject of the hearing or resulted in the board taking an action authorized by this section against the person on a prior occasion.

(J) The board may share any information it receives pursuant to an investigation under division (D) of section 4715.03 of the Revised Code, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state dental board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state dental board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

certificate to an applicant for either of the following reasons 2733
unless the refusal is in accordance with section 9.79 of the 2734
Revised Code: 2735

(1) A conviction or plea of guilty to an offense; 2736

(2) A judicial finding of eligibility for treatment or 2737
intervention in lieu of a conviction. 2738

(C) Each county department shall comply with the order no later than thirty days after it is issued.	2776 2777
(D) If after issuing an order under this section to suspend or limit enrollment of new participants or disenroll existing participants the department determines that available state and federal funds for publicly funded child care exceed the anticipated future expenditures for publicly funded child care, the director may issue and implement another administrative order increasing income eligibility levels to a specified percentage of the federal poverty line. The order shall include instructions and procedures to be used by the county departments. Each county department shall comply with the order not later than thirty days after it is issued.	2778 2779 2780 2781 2782 2783 2784 2785 2786 2787 2788

Section 7. The amendments to sections 5104.39 and 5104.50, 2849
and the repeal of sections 3701.507 and 5104.08 of the Revised 2850
Code, as presented in this act, take effect on the later of 2851
January 1, 2025, or the effective date of this section. (January 2852
1, 2025, is the effective date of an earlier amendment to these 2853
sections by H.B. 33 of the 135th General Assembly.) 2854

Section 8. That Sections 5 (as amended by H.B. 33 of the 135th General Assembly) and 6 of H.B. 29 of the 134th General Assembly, Sections 307.300, 381.630, 701.70 (as amended by H.B. 45 of the 134th General Assembly), 733.30, and 757.70 of H.B. 110 of the 134th General Assembly, Section 1 of H.B. 12 of the 133rd General Assembly, Sections 265.510, 333.67, 381.610, 733.51, and 737.40 of H.B. 166 of the 133rd General Assembly, Sections 2, 3, and 4 of S.B. 24 of the 133rd General Assembly, and Section 7 of S.B. 310 of the 133rd General Assembly are hereby repealed.

Section 9. That Section 1 of S.B. 24 of the 133rd General Assembly and Section 3 of S.B. 9 of the 130th General Assembly (as amended by H.B. 122 of the 134th General Assembly) are hereby repealed.

Section 10. (A) The Ohio Medical Quality Foundation, described in section 3701.89 of the Revised Code, is retained under division (E) of section 101.83 of the Revised Code and expires as a statutory entity at the end of December 31, 2025.

(B) It is the intent of the General Assembly, through the repeal in this act of section 3701.89 of the Revised Code, to abolish the Ohio Medical Quality Foundation as a statutory entity on January 1, 2026.

(C) As soon as practicable after the effective date of this section but not later than April 1, 2025, the Foundation, through its corporate trustee, shall transfer all of its remaining unencumbered funds, to the extent possible under law and contract, to the Treasurer of State for deposit in the Medical Quality Fund established under section 113.78 of the Revised Code.

(D) As soon as practicable after the transfer described in 2884
division (C) of this section, the trustees of the Foundation 2885
shall prepare a written report identifying the following: 2886

(1) Any encumbered funds unable to be transferred to the 2887
Treasurer of State, including the amounts still to be 2888
distributed pursuant to contracts in effect at the time of the 2889
report's preparation; 2890

(2) The duration of any contracts in effect at the time of 2891
the report's preparation; 2892

(3) The dates on which any remaining funds will be 2893
considered unencumbered. 2894

The trustees shall submit the report to the Treasurer of 2895
State, Governor, Senate President, and Speaker of the House of 2896
Representatives. 2897

(E) Following the January 1, 2026, repeal of section 2898
3701.89 of the Revised Code, the Treasurer of State shall assume 2899
the contractual duties of the Foundation, its trustees, and its 2900
corporate trustee, as identified under any contracts in effect 2901
on that date. 2902

Section 11. Section 145.012 of the Revised Code is 2903
presented in this act as a composite of the section as amended 2904
by both H.B. 281 and H.B. 377 of the 134th General Assembly. The 2905
General Assembly, applying the principle stated in division (B) 2906
of section 1.52 of the Revised Code that amendments are to be 2907
harmonized if reasonably capable of simultaneous operation, 2908
finds that the composite is the resulting version of the section 2909
in effect prior to the effective date of the section as 2910
presented in this act. 2911

Section 12. This act is an emergency measure necessary for 2912

the immediate preservation of the public peace, health, and 2913
safety. The sunset review law is scheduled to operate on 2914
December 31, 2024, as a matter of law. If the sunset review law 2915
operates before the effective date of this act, uncertainty and 2916
confusion, with respect to the authority for certain agencies to 2917
operate, could result. Therefore, this act goes into immediate 2918
effect. 2919
